Welcome to the Beswick Family

It gives us great pleasure to welcome you to the Queen's College Boarding Establishment. We trust that you will thoroughly enjoy your stay with us and that positive memories will be made.

Our aim is to create a home away from home, and as with any home we care deeply for our learners and provide a safe, structured and disciplined environment. We want our "boarders" to form the powerful backbone of our College. A healthy and strong boarding establishment will ensure a healthy and strong school.

At Queen's College we are blessed to have four hostels. Whitson and De Vos House the home of Grade 8 and 9, Athlone House the home of Grade 10 and Connaught House the home of Grade 10, 11 and 12.

All houses have recently been upgraded and renovated for the learners comfort and ease. We strongly urge you to take extra special care of these facilities and be considerate towards all who make use of them.

Martin Luther King Jr. said "We must live together as brothers or perish together as fools."

The brotherhood in the Queen's College boarding houses has been the foundation of our success throughout the ages.

From the Hostel Matrons

Welcome to the Boarding Establishment of Queen's College!

You are about to enter a very exciting phase of your life. We hope that you will feel at home in no time. We will play our part in ensuring that you are well taken care of.

We trust that you will become an independent, caring and confident young man who participates with enthusiasm in all that our College has to offer. We also hope that you will reach your full potential in whatever you do.

If you are feeling scared, don't worry! This will soon feel like home. Within a very short period of time you will make new friends and enjoy the comfort of boarding life.

We have compiled this booklet to help you in this transition. Read it carefully and take your time. Make sure you adhere to the rules - they are there to help you and everyone in the hostel.

Best wishes as we start this journey together.

Boarding

Queen's College has a vibrant and growing boarding establishment. Our four hostels, Whitson, De Vos, Athlone and Connaught, feature proudly on our campus. Bisset Hall, our freshly revamped and upgraded communal dining hall and kitchen, is a real feel-good show-off. We have currently renovated and upgraded De Vos and Athlone House to cater for the rapidly growing interest our surrounding communities are showing. Our boarding facilities are of the best in the land. Boys from all over South Africa and neighbouring countries are choosing to make the Queen's College Boarding Establishment, their home away from home.

Accommodation is divided into juniors and seniors, as we recognize that teenagers at different stages of development require different approaches in terms of care.

Our dormitories are shared. Each hostel has one or two common rooms/games room with access to DSTV and games such as snooker, table tennis, foosball and board games. There is also a coffee room or kitchen, which has a fridge, kettle and popcorn machine. Our kitchen provides milk, coffee, tea, sugar and a snack at night.

Wi-Fi access is available in the boarding houses and boarders may bring their phones, tablets and laptops with them. They must, however, take responsibility for the safety of their own possessions at all times.

Our dining hall and kitchen has recently been renovated and can seat over 230 learners. Capitol Caterers, an outside catering company, provide the learners with three balanced meals, a break time snack and an evening snack.

“ Camaraderie, ubuntu, friendship, loyalty, respect and life. You won't find camaraderie like you do at Queen's College especially in your formative years. Ubuntu is at the core of our existence at the school. You are certain to make loyal friends for life. You learn to respect others while also respecting yourself. And the lessons learnt in the classroom and sports field equips you on how to live life to your fullest potential.

Vata Ngobeni (Queenian) ”

Signing Out

- There is a signing out system for every boarding house. (parents to fill out a in a link which is share each week)
- It is compulsory that a boarder informs the duty master when they leave the hostel complex. This is then communicated on a boarding staff Whatsapp group.
- It is not necessary for a boarder to sign out if he is leaving for a school or sport activity.

Weekend Planning

- Weekend planning must be done for catering purposes. Bisset Hall will need to know whether learners will be going home for the weekend or not.
- While boarders are in for the weekend, attendance at all meals is compulsory.
- Boarders not staying for the weekend need to state when they will be leaving and when they plan on returning to hostel.
- This information must be communicated by the parents to the respective house master by 19:00 on the Thursday by completing the link which is shared with the parents at the start of each new week.

Procedure for Sick Boarders

Please ensure that you complete the **Health Care Summary Form** and return it to the Matron.

Medication

It is against the law for schools to administer any form of medication.

No learners should have medication with them - all should be dispensed from the Matron or Housemaster.

If your son is suffering from a minor illness that can be cleared up using “over-the-counter” medication, it is essential that he has his own supply of such medication, for example medications that can help treat:

- minor aches and pains
- fever
- diarrhoea
- cold symptoms
- sore throat
- allergies
- plasters for minor injuries
- straps/bandages for sports injuries

Please be aware of the codeine content of medication that you purchase. Purchasing of medication by your son must be communicated to the hostel matron.

Please include an inventory list of medication in the medical box. Very few parents comply with this request and ultimately it is your son that suffers when he has a headache, cold etc.

It is important to indicate any medical or other allergies on this form.

Medical Aid and Expenses

- If you belong to a medical aid, please hand a **hard copy of both the front and back of the card, main members ID copy and son's birth certificate** to the house master or matron on the first day of every year or when you first arrive.
- If you do not have medical aid, the matron will call you if your child will need to go the doctor or needs medical supplies. The average cost of a GP is R650, including medication (excludes x-rays and scans). Parents will have to arrange means of payment with the doctor/hospital or matron before the child is attended to.

Feeling Sick When You Wake Up?

- Report to the duty master and matron by 06:00 (before breakfast).
- The matron will decide whether you need to go the doctor or stay in bed.
- Once the matron has seen the boarder, she will contact the parents to discuss the situation.
- If you are writing a test or exam and are not sick enough for a doctor, you will be expected to go and write then come back to hostel after your test.

- The master on duty will organize for your breakfast and supper to be packed and delivered to you. The matron will organize for your lunch to be packed and delivered to you.
- Spending the day in bed means SPENDING THE DAY IN BED. You may not get up and attend meals, play sports or visit friends all over campus or in the games room.
- Should the matron decide you need a doctor, she will make an appointment, inform you where and when to meet either her or the duty master and then transport you to and from the doctor. Please wear your school uniform or tracksuit to any appointments.

Feeling sick during the night?

- See the prefect on duty who will contact the duty master or house master
- Call the master on duty on his cellphone number
- If you cannot reach the master on duty, call the matron.

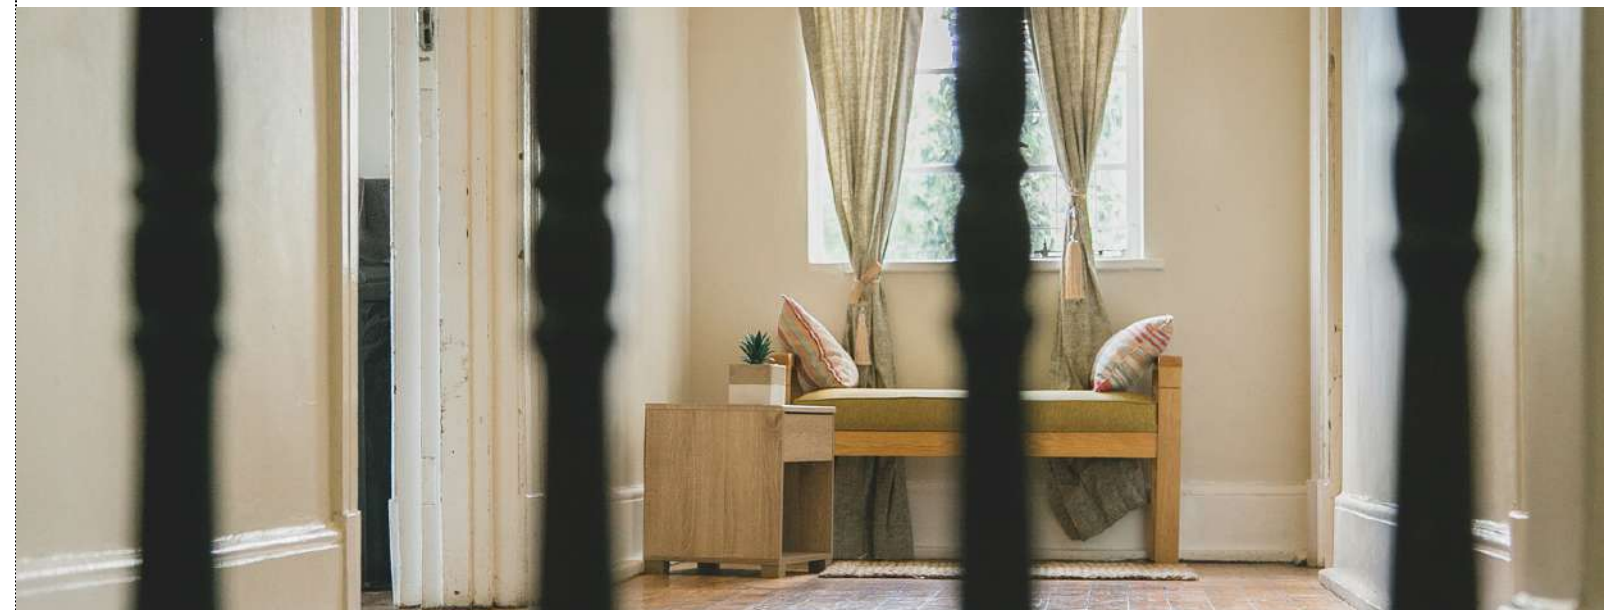

Feeling sick after school?

- Report to the master on duty that day. If that person is not available.
- If you can't get hold of them, see the matron.

Feeling sick during lesson time?

- Report to your Grade Head and ask for permission to go back to hostel.
- If the Grade Head approves your request to go back to hostel, report to the front office.
- The front office will contact the matron and advise of boarders coming back to hostel.
- You may **under no circumstance** decide to go back to hostel without following this procedure.

If you are sick on Friday and cannot attend school, you will not be allowed to play sport on the Saturday and may not leave the hostel on Saturday or Sunday.

What You Need to Know

Compulsory Out Weekends and Holidays

- Boarders' parents are responsible for their children's transport to and from the hostel before and after out weekends and holidays.
- Should a boarder need assistance in making his way to a transport service (bus, taxi, train), arrangements will need to be made by the parents with the house master or matron.
- Please note that no boarders will be accommodated on campus during out weekends or holidays.
- On the day out weekend or holiday commences, the hostel will be locked at 19:00 and no supper will be provided on this day.
- The hostel will open at **14:00** the day before school starts. Only supper will be served that day.

Common Area Etiquette

- These rooms are shared on an equal basis by all the inhabitants of the hostel, and keeping it clean and tidy is therefore a responsibility shared by all.
- Please treat furniture and appliances with respect and report vandalism and/or breakages ASAP to the duty master or matron. **If your son is responsible for any breakages through vandalism, he will be charged for the replacement/repair.**

- Visitors may be received at the hostel on the grass area outside the front door.
- Boarders using the coffee room must clean up and clear away immediately to ensure others have access to a neat and clean environment.
- At the end of prep, the prep room must be tidied and all books, papers and stationery items must be removed.
- The duty master will make sure all lights and appliances are switched off and also ensure all common areas are locked before going to bed.

Dorm Expectations

- Your dorm must be neat and clean at all times and your bed must be made every morning before inspection.
- All dorm bins must be placed outside your dorm door in the morning before inspection.
- All windows and curtains must be opened in the morning for hygiene and ventilation purposes.
- The duty master will inspect each dorm every morning before leaving for breakfast.
- Regular inspections of the dorms and lockers will be undertaken by the boarding staff to ensure that undesirable items do not go unnoticed.
- Lights and plugs must be switched off when you leave your dorm.
- **Chargers may not be left in the plugs.** If you are not using your charger please unplug it and store it away.

- You may listen to music in your room, but it may not disturb anybody else. No speakers allowed.

Computers and Printers

- The boarding campus is covered by Wi-Fi so you are welcome to bring your laptop with you.
- All printing needs to be done in proper timing to your deadline.
- No assignments, projects etc. will be printed on the morning of their due date.
- All printing will go through the matron. Arrange a time of printing with her if she is not in her office.
- **Printing will only be done for school related matters.**

Laundry

- Our laundry is done in-house. All articles of clothing **MUST** be marked with SEWN-IN name tags as marking pens and iron-on labels wash off at the laundry. **THE STAFF WILL NOT ACCEPT UNMARKED LAUNDRY FOR WASHING! IT WILL SIMPLY BE RETURNED TO YOUR SON - UNWASHED!**
- New boarders will need to get 1x laundry bag and 1x sock bag for their laundry.
- Laundry is done at least once a week. More information will be given by the matrons.

- Unmarked laundry has been a major problem in the hostels. This is a major headache for matrons who then spend hours trying to find the owners of unmarked clothing that is returned from the laundry. As a result, the school cannot be held responsible for unmarked clothing that goes missing.
- Furthermore, some boys do not hand in dirty clothes and linen for washing, for fear of either getting into trouble or losing items. As a result they use the same bedding and wear the same clothes over and over, which is extremely unhealthy.
- *It is each boarder's responsibility to ensure that all dirty washing is sent to the laundry in a correct laundry bag (with an accompanying laundry book).*

Make Sure of the Following When Handing in Your Laundry

- The laundry book is filled out clearly and it ties with the number of items for laundry
- **DO NOT** cross off anything in your laundry book. If you make a mistake, cancel the whole page and start a new page.
- Your sock bag should not be too full and should be tied securely
- All zips should be zipped up and any strings on clothing should be tied
- No bundling up of socks

What You Need to Know

Bus Service

- The school offers a bus service at the start and end of each term to the following destinations:
 - East London
 - Mthatha
 - Maclear
 - Lesotho boarder
- The booking of a seat for these busses need to be done and paid for through the school bursar, Mrs Cate Webber debtor@queenscollege.co.za or by contacting the school on 045 839 4188.

Campus Leave

- No boy may leave the hostel campuses without permission of a duty master – this includes Pick 'n Pay and the Vicky.

Flight arrangements

- If your son will be flying home or returning at the start or end of a term, please arrange the flight from East London to be as **late as possible on the day they fly out and as early as possible on the day they land in East London**. If you are unsure, please confirm with the house master before finalising the flight booking.

Catering & Special Diets

- All catering is done in Bisset Hall through an outsourced company, Capitol Caterers. Our meals are healthy, balanced and delicious.
- Learners with special dietary requirements due to medical conditions or religious and/or cultural rules, are catered for if Capitol Caterers is informed. Please support this where applicable with a medical certificate.
- We do not encourage fad diets of any kind and cannot cater for them.
- Boarders **must** attend all meals while they are on campus. They may only be excused by the master on duty if they are sick or have extra curriculum activities in which case packed meals will be arranged.
- If boarders want to order take-away food from local restaurants, permission is needed from the master on duty and it will only be **allowed over weekends**.
