

Queen's College
BOYS' HIGH SCHOOL
Founded 1858

Dear Parent / Guardian

APPLICATION FOR ADMISSION 2025

Thank you for enquiring with regards to an application for your son.

Queen's College Boys' High School is a well-established, traditional public boys' school, which offers a vast array of opportunities for young men to develop their full potential in a caring and disciplined environment. At Queen's we believe in the education of the total man, and thus the curriculum encompasses academic, sporting and cultural activities, as well as an emphasis on spiritual, social and leadership development. Queen's College expects high standards of behaviour, dress and personal appearance, and Queenians are obliged to accept these standards and to observe the accepted school and hostel rules.

Closing date for 2025 Applications: 20 March 2024

The following criteria play an important role in the processing of applications:

- The proficiency of the applicant in English (as our school is an English medium school).
- The proximity of the applicant's residence for day scholars (preference must be given to pupils who live close to the school).
- The fact that we can only accept a certain number of learners in Grade 8 (as well as limited numbers in Grades 9 – 11) and we therefore urge parents/guardians to apply to other high schools as well.

Kindly take the time to read through the accompanying documentation carefully. Please note that only applications that have been completed **in full** and with all of the requested documents will be accepted (*as per attached list*).

The Principal's Confidential Report needs to be emailed by you to your son's current school and that school needs to email/fax it back to us directly.

Submit your son's complete application soonest to avoid disappointment. Applications will be processed as soon as they are received and interviews will commence after your son's application has been processed.

Please ensure that you read through our code of conduct before applying at our school. This can be found on our website under the "Admissions" tab.

We kindly request that you do not make telephonic enquiries regarding the status of your son's application. You will be notified, in writing, of the status of your son's application within 14 days after the date of his interview.

Yours sincerely,

J VAN DER RYST
HEADMASTER
